You are all invited to the 11th Annual Gertrude Weigum Hinsz Lecture at 3:30 PM on November 8 in the NDSU Alumni Center Atrium. Please share this information with your colleagues. This year’s Hinsz Lecturer is Dr. Ramona Faith Oswald from the University of Illinois. The title of her lecture is Place Matters: LGBTQ Families in Community Context. An abstract and more information about Dr. Oswald appears below.

In addition to the Lecture, Dr. Oswald will also be holding two open conversation hours in the Memorial Union Nueta Room. If you can’t make it in person but would want to join remotely, let me know, and I will send you a link.

- November 8, 9:00 AM: Focused on the more technical aspects of her research
- November 8, 10:00 AM: Focused on her community outreach

We thought that you may be most interested in the outreach meeting, but you are welcome to attend either one or both, as well as the Lecture at 3:30.
