## Master of

## CONSTRUCTION MANAGEMENT

Take construction management to the next level, become a leader in the field of construction management.

Individuals working in all types of construction including residential, commercial, industrial, highway and heavy construction may benefit from an online Master of Construction Management degree. Graduates receive advanced education in new and expanding areas of construction programming, cost control and project management. This program also prepares students to sit for the Associate Constructor Exam or the Certified Professional Constructor Exam.

The online Master of Construction Management degree consists of thirty (30) credits of course work and a passing grade in the Associate Constructor Exam or the Certified Professional Constructor Exam.

This program is offered through Distance and Continuing Education (DCE) at NDSU and may be completed entirely online.

“ The advisors are helpful with the selection of appropriate coursework and research. ”

—Jeffery, Belle Plain, MN

## ADMISSION REQUIREMENTS

To be admitted for the program, the applicant must have:

- BACHELOR'S DEGREE**  
from an educational institution of recognized standing with adequate preparation in the disciplines of construction, engineering, architecture, or other related disciplines.
- TOEFL EXAM SCORE**  
of 71 (internet based) and 193 (computer test) for international students. GRE exam is not required.
- DEMONSTRATED POTENTIAL**  
to undertake advanced study and research, through such evidence as prior academic performance and/or professional experience.
- SUBMITTED APPLICATION**  
Completed NDSU Graduate School application. Applications will be evaluated on an ongoing basis.
- CUMULATIVE GRADE POINT**  
of 3.0 on a 4.0 scale or equivalent to attain full standing (official transcript required).
- ADDITIONAL MATERIALS**  
A two-page resume and three letters of recommendation before action is taken on any application.

“ As a busy construction professional with family obligations and a demanding career, I would recommend anyone in taking a course through distance education at NDSU. The faculty is top of the line and leaders in their respective fields. ”

— Herman, Toronto, Ontario, Canada

## TUITION & FEES

Distance & Continuing Education (DCE) classes for this program are charged at the NDSU North Dakota Residency rate regardless of your location or residence.
