GEAR UP WITH AN ABUNDANCE OF NEW PROFESSIONAL DEVELOPMENT CLASSES OFFERED THROUGH THE ND GEER GRANT.

We are excited to provide a whole new selection of classes and content areas this summer. Also note, many of our popular classes are back. When you find a class you want to take, be sure to register early as some classes fill quickly. Other classes need time to prepare enough materials for each participant.

These timely and relevant classes are open to educators nationwide. Be sure to share this brochure with teachers you know in other schools, districts, and states! We look forward to helping you gain as much out of your professional development as possible.
